

USPKS PIT SPACE or CAMPING REQUEST FORM

Orlando Kart Center – March 2-6, 2022 **FORMS DUE BY FEB. 25TH**

Email Form to USPKS Contact: Tim Koyen – tekoyen@gmail.com – 608.235.4761

Driver (or Team) Name(s): _____

Team Contact Name: _____ Contact Phone #: _____

Due to the anticipated size of this event, and the limited pit area, we are asking teams to take only the space they need for pitting and park all vehicles outside the paddock area.

OKC has a limited amount of covered pit space, directly adjacent to the grid areas. The spaces are 15’ deep and 8’ wide, and are covered by a metal canopy. They are located directly in front of customer garages and have power available. (There is no access to the garages, just the space in front of them). These “garage spaces” fit one kart nicely per space. These spaces will rent for \$24.00 per space. There will be storage for trailers on the other side of a fence, with gate to access. The parking for the trailer only will be the standard \$.15/square foot. If you would like to rent one or more of these covered spaces, enter the quantity here: _____. If you have a trailer to store nearby, enter its length here: _____.

For general pit/parking space, please sketch a basic layout of your pit area below, so we can coordinate access needed. Length required: _____ X Width required: _____ = _____ X \$.15 \$ _____

Motorhomes are allowed for a fee of \$150 for the event. There are no hookups , and the camper/motorhome will be in the designated remote parking area. Check here if you need a motorhome parking space: \$150
