

USPKS PIT SPACE AND MOTORHOME/CAMPING REQUEST FORM

ROAD AMERICA – 2022

Email Form to USPKS Contact: Tim Koyen – tekoyen@gmail.com – 608.235.4761

Driver (or Team) Name(s): _____

Team Contact Name: _____ Contact Phone #: _____

Due to the anticipated size of this event, and the limited pit area, we are asking teams to take only the space they need for pitting. Disconnected tow vehicles and personal cars will be parked outside the paddock area. Road America has recently replaced the Johnsonville bridge, entering the Briggs & Stratton Motorplex, and it can now safely and easily accommodate both foot traffic and large haulers, with no height restrictions. Car parking will be on the other side of the bridge. As many of you already know, the pit area at RA is primarily grass. If it is important that you pit next to, or with someone, please put everyone on one form.

For general pit/parking space, please sketch a basic layout of your pit area below, so we can coordinate access needed.

Length required: _____ X Width required: _____ = _____ X \$.15 = \$ _____

Motorhomes and camping: Road America now has 2 available camping areas. Premium camping spots are available along the newly paved road that leads from the Scale area up the hill. Those spaces are available for \$250 for the weekend and are very close to the kart track. The Standard camping area is on the other side of the Johnsonville Bridge, adjacent to the car parking. There is easy access to come and go from this area, but they are further from the kart track. These spaces are \$150 for the event. There are no hookups at any location. If you have a toyhauler type RV, and intend to camp and work out of it, you will need to reserve paddock space for it, **and** pay the standard camping fee (please note below if this is the case).

Check here if you need a camping or motorhome parking space: Standard Camping \$150
Premium Camping \$250

Are you a USPKS Sponsor? Yes No

Notes, sketches, or requests...
